

CLASS FAREWELL

Parents, Teachers, Fellow Students, Honored Guests ...

The time has finally come for us to depart from St. Michael's. We look into the future with hope of finding a school as wonderful as this. We now, however, must embark on new adventures of learning in a different environment.

We would like to express our thanks and gratitude to the parents, teachers, and to Father Gregory, and all who have helped us on our way to a sound academic and completely Christian education.

Even though we are leaving St. Michael's, we shall never forget it. All the wonderful memories will stay locked in our hearts forever as we strive to maintain St. Michael's leon well taught, "Do what you ought to do, rather than what you want to do."

Jane Martin
